

## Customizable Admission Kits

Making a person comfortable during their stay is an important area of focus for healthcare providers. The HCS Admission Kit offers you a variety of item choices to help make your patient feel refreshed and comfortable during their visit.

From oral, grooming, and body care to patient comfort, the HCS line has your guest covered from head to toe. Instead of allocating time and resources building your own kit in house, let HCS customize an admission kit based on your needs.
