

# Blood Pressure Units

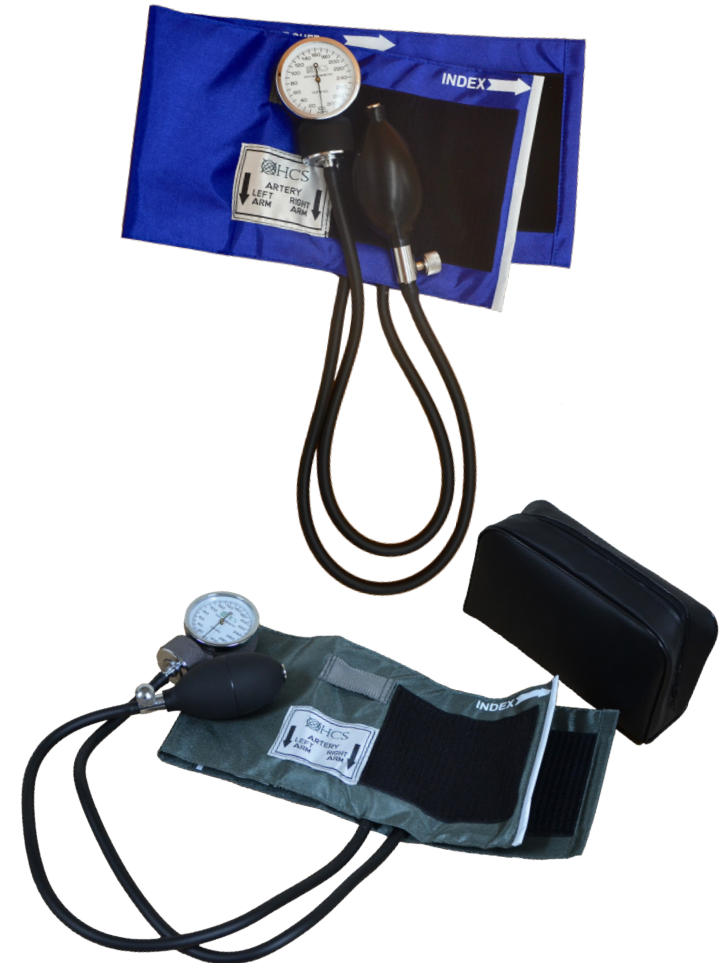

Bringing you great quality at an affordable price, our Standard & Deluxe Blood Pressure Units come in a convenient, zippered case for safe storage.

## Standard Blood Pressure Units

- Calibrated cuff with a velcro hook & loop closure providing a quick and comfortable fit for your patient
- Inflation bladder is constructed of a latex free, polyurethane material
- The aneroid gauge has a standard air release valve and is accurate to +/- 3mmHg
- 20-year calibration warranty and 1-year inflation warranty

## Deluxe Blood Pressure Units

- Latex free, polyurethane bladder
- Inflation bulb with deluxe end & valve
- Calibrated nylon cuff
- Lifetime limited calibration warranty and a 2-year inflation system warranty
