

HCS

Dry Washcloths

HCS Dry Washcloths are made with a highly absorbent, soft, air-laid material. These washcloths are extra strong to resist tearing and may be used for many applications.

Measuring 10"x13", these washcloths are disposable and can assist with the following:

- Fluid Cleanup
- Cleansing
- Surface Cleaning

Packaged with 50 per pack, the HCS Dry Washcloths can be ordered by the case of 10pks or 20pks.

Recommended for:

- Doctors Offices
- Hospitals
- Nursing Homes
- Surgery Centers
