

Customizable Refresh & Relax Kits

Helping a person feel relaxed and refreshed during their stay is a vital role in patient satisfaction. The HCS Refresh and Relax Kit features items that cover all of your patients needs for their mind and body to rejuvenate and focus on a successful recovery. These items will ultimately improve the quality of care each patient is given, while increasing end user productivity.

The HCS Refresh and Relax Kit offers a variety of item choices to help make your patient feel refreshed and comfortable during their visit. From oral, grooming, to body care, the HCS line has your guest covered from head to toe. Instead of allocating time and resources building your own kit in house, let HCS customize a Refresh and Relax kit based on your needs.
